HIGHLIGHTS

Aszú's natural drive and retrieve were so exceptional that we decided to enter him early for both NAVHDA and AKC hunt tests. He exceeded my expectations, earning his Junior Hunter title and NAVHDA Prize II at just six months old! Aszú continues to amaze us with his drive and temperament. He's passionate about birds, incredibly fast, and always eager to work. Yet, he's also the sweetest snuggle bug imaginable. With all his preliminary health tests completed, we are incredibly excited to see what the future holds for this remarkable dog

HIGHLIGHTS

Delceg is an incredibly obedient and loyal dog. We call him the gentlemen. He works for you and wants to please you. He can cover a field with great stamina and focus. Delceg achieved is AV, VAV, and OTV hunting tests with maximum scores. He has a NAVDHA UT Prize 3, and we hope to test again for a Prize 1! He has a tight coat and a solid structure. He is Huu-free, ECLE carrier, F/f, not a carrier for longhair or EIC.

HIGHLIGHTS

Meet 'Ezra,'

Mestervadász Ergo, VJP, NAVHDA NA II, AKC JH our exceptionally smart, high-energy, prey-driven, loving and goofy boy! Ezra loves to be out on game, whether that is blood tracking a deer lost by a hunter or out in the field on birds, looking for ducks, or on the trail with the horses. Ezra loves to work, but he seems to have one motto in life, **“Welcome to My Party!”**

Please let us know if you think he may be a good match for your girl!

HIGHLIGHTS

Izso was born in Poland at the Z Tatchejów FCI Kennel and exported through Zoldmali Kennels in Hungary Sept 2025. He is very sweet and loves people. He has a happy disposition and a bit of a goofball. He can be with any dog, male or female, and gets along with everyone. Izso has a great enthusiasm to hunt (it's like a kid-in-a-candy-shop type attitude)! He has a natural point that is very stylish. He achieved max scores in all his Hungarian HPR tests (AV, VAV, OTV), including a prize 1 in his OTV test. He will break heavy cover on hunts (upland and grouse) with good honors in all his hunts. Izso covers ground quickly, but not too quickly that he misses scent. He is a joy to have around, fits in the pack, and a companionable yet exciting hunter.

HIGHLIGHTS

Jarvis was a BOB winner at a Wirehaired Vizsla supported entry at only 18 months old. He has been owner handled to his championship and grand championship and was the #1 Owner Handled in 2021 receiving an invitation to Nationals. Jarvis also has multiple Best of Breed wins resulting in multiple group placements. He received an invitation to Westminster in 2021. In 2021 Jarvis was #5 Breed #4 All Breed in 2021.

Outside of the show ring Jarvis enjoys completing in multiple performance sports and has several titles including: Dock Diving, Scent Work, Barn Hunt, Fast Cat, & Tricks. He was the 1st Wirehaired Vizsla to earn Open/Senior Barn Hunt title. He also holds certificates in Farm Dog certified, Canine Good Citizen, ATT title. In his free time Jarvis enjoys long hikes, swimming, working, and hunting birds in the field.

- Sperm Availability: Live cover only

HIGHLIGHTS

Odi has been a true pleasure to live with since the day we picked him up at JFK International Airport fresh from a town called Paty Hungary. Currently Odi remains active in scent work, dock diving, fetch, and excels at Fast Cat, clocking in at 28.10 mph for his fastest time and currently the 2nd fastest WHV in the USA.

He loves the water and retrieving. Odi's debut in the conformation ring was beating a champion and winning Best of Breed on the blue carpet of the Philadelphia National Dog Show '24.

HIGHLIGHTS

Oszkár, has shown a great love for the water at 6 weeks old (like her mother) and an amazing prey drive on the field at an early age – traits that remain strong to this day. He earned his Junior Hunter title just after his first birthday and his NAVHDA NA Prize I with a perfect 112 score at only 13 months old. Oszkár's success extends beyond the field to the show ring. He was awarded Best Puppy at his first Wirehaired Vizsla Club of America Specialty Show and completed his Championship with four majors and a Best of Breed award. He also achieved his International Championship title in a single weekend, amassing an impressive list of accomplishments by 18 months old. Oszkár stands 24.5 inches tall and weighs 60 pounds, which, as a hunter, I consider the perfect size for agility and speed in the field, yet just right for a cozy companion at home. He is exceptionally friendly and loves people. Beyond hunting, Oszkár's favorite pastime is playing dress-up and having tea parties with his 9-year-old best friend

HIGHLIGHTS

Rev is out of the Loroka kennel and has an incredibly sweet disposition, very obedient, and does love people. He is very responsive, loyal dog and is aware of the moods or needs of the people around him. Rev is amicable to other dogs and does not have any male/female dog aggression. He has high prey drive and is very fast and agile, with very little self-preservation when in prey mode. He is a retrieving machine with natural retrieving drive. Rev has a natural point and will stop suddenly on bird scent with little needed training on this skill.

HIGHLIGHTS

Meet Avi!

Avi is our exceptionally handsome, affectionate, intelligent, and biddable young boy with an exciting combination of conformation, temperament, and natural hunting ability.

He comes from a remarkably consistent litter already proving itself in the show ring and the field. Avi is one of three littermates who earned their championships before a year of age, with littermates earning NAVHDA Prize I, II, and III results. The litter has also met the qualifications for a NAVHDA Breeder of Merit award, a testament to the consistency of the natural ability throughout his litter.

At just 16 months old, Avi is incredibly loving, sweet-natured, and a joy to live with. He loves being in the bird field and has already demonstrated strong natural hunting instincts. We're excited to see what this beautiful, talented young dog accomplishes as his formal training progresses. Please let us know if you think Avi may be a good match for your girl! <https://www.vizsladatabase.com/details.php?id=655902>

HIGHLIGHTS

Kincsem's exceptional field drive and natural ability have been evident in record time. Shortly after his first birthday, and with only month of formal training, he earned both his AKC Junior Hunter title and a NAVHDA Natural Ability Prize I with a maximum score.

Beyond his performance, he is incredibly eager to please and cooperative, qualities I consider essential for a Wirehaired Vizsla. He success extends to the show ring as well; he earned his International Championship title in a single weekend and debuted at the prestigious Morris & Essex show by taking Select Dog.

Currently hunting some of the finest grounds in Vermont, Kincsem will be available to approved bitches following his second birthday and the completion of his official OFA health clearances.

HIGHLIGHTS

"Gus" Pivot's Gunny Gus Oscar Mike NA pz 1 was born Aug 2024. He is the son of "Quinn" CH Pivot Mischief NA pz 1 and "Bam" GCHS Dolgos-Nimrod Kaliber JH CGC TKN BCAT FITB. He has an intense nature that has transferred well in the hunting field. He has a joy and focus on birds that has really developed in the last 10 months and it has been very rewarding to see him maturing. So far, he has achieved a NAVHDA NA prize 1, several puppy sporting group placements, and an AKC show champion at a young age. Gus also has a goofy nature, very loyal and obedient. He inspects new situations with curiosity then moves to exploring with enthusiasm. Despite having a happy energy and good bird drive, he is content to relax and hang out with his family and "sister" a hound dog mix named Rye.

HIGHLIGHTS

CH Pivot's Vedo was born in Sept 2024. He is the son of CH HCH HJCH Zoldmali Delceg NAVHDA UT3 and CH Dolgos-Nimrod Gemenc VA VAV CAC RES-CAC TSZ; he is the half-brother to Quinn as well as Bam (sire of Zero & Gus). Vedo achieved his championship in AKC shows by 10 months old, in addition to his OH Sporting Group 1. Vedo was evaluated and started with intense service dog training for his first 15 months due to his soft but curious personality (very similar to his sire) and his desire to be with people. Unfortunately, he did not make the cut due to an increasingly intense hunting drive. We pivoted to hunting training and he has taken naturally to it. He has a natural point and stop to flush. Vedo will work a field instinctually quartering and working with the wind. Despite not having a base in hunting training, his
